Time Commitment:

It is important to note that substantial time will be required of Board members to attend meetings, read background material, participate in training, go on tours, etc. Board meetings are held monthly (in the evening) on the third Thursday of the month. In addition, each Board member is expected to participate on one focus group or issue area, which also typically meet once or more a month. It is critical for every applicant to give careful consideration to whether he or she has adequate time to devote to Board membership.

If selected to serve on the Paducah Gaseous Diffusion Plant Citizens Advisory Board (Site Specific Advisory Board), I agree to attend training and Advisory Board meetings, review background materials, and work cooperatively with the Advisory Board.
